"

A 15x15 grid for a word search puzzle. The top-left cell (row 1, column 1) contains a photograph of a pug dog lying on a brown, textured sofa. The rest of the grid is empty, with small black arrows in some cells indicating the direction of word placement. The arrows point in various directions: up, down, left, right, and diagonally. Some cells contain faint, illegible text, likely representing the words to be found.
