The image shows a crossword puzzle grid. On the left side, there is a photograph of a narrow, cobblestone street in Prague at dusk, with historic buildings and street lamps. The grid is composed of black and white squares. Some squares contain small black arrows pointing in various directions (up, down, left, right). Some squares contain apostrophes (') indicating the start of a word. Some squares contain ellipses (...) indicating a continuation of a word. One square in the lower-left quadrant contains a question mark (?). The grid is 12 columns wide and 12 rows high.
