The image shows a crossword puzzle grid. In the top-left corner, there is a photograph of a booby bird, likely a Masked Booby, with a distinctive crest of feathers on its head and a yellowish-orange patch around its eye. The grid is composed of black and white squares. Small black arrows are placed in the white squares to indicate the direction of the words. The grid is 15 columns wide and 15 rows high. The top-left 5x5 area is occupied by the bird's image. The rest of the grid is empty, with arrows pointing in various directions to indicate where words can be placed.
