The image shows a crossword puzzle grid. In the top-left corner, there is a photograph of a large, multi-towered castle built on a steep, rocky cliffside. The castle has a red roof and several towers with spires. The surrounding area is filled with trees with vibrant autumn foliage in shades of orange, yellow, and red. The sky is overcast and grey. The crossword grid is composed of black and white squares. Black squares are placed at various positions to define the puzzle's layout. Small black arrows are placed in the white squares to indicate the starting point and direction of the words to be filled in. The grid is 15 columns wide and 15 rows high.
